

Wednesday February 13	
10:00	Registration and placing posters
12:00	Lunch
13:00	Opening of congress
Advanced cardiopulmonary function studies	
13:15	Modelling of cardiac diastolic function <i>Prof. Sandor J Kovacs, Washington University, St. Louis, USA</i>
13:50	Left-ventricular systolic dysfunction studied with tissue doppler imaging <i>Prof. Lars-Åke Brodin, Kungliga tekniske högskolan, Stockholm</i>
14:25	Panel discussion
14:40	Visit to exhibition, coffee
15:20	Quantitative V/P SPECT in lung and heart disease <i>Marika Bajc, Lund University</i>
15:55	Comprehensive lung function studies – an ultimate diagnostic resource <i>Prof. em., Björn Jonson, Lund University</i>
16:30	Panel discussion
16:45	Coffee
17:00	General assembly 1. SSCPNM, 2. NSNM and 3. NFNM
19:00	Come together reception

Thursday February 15	
07:30	Breakfast meeting?
Neurology – Dementia and multimodality	
08:30	Free communications 1, each 15 min
09:30	Coffee
09:40	Brain PET and SPECT for Dementia Workout <i>Prof. Satoshi Minoshima, Washington University, St. Louis, USA</i>
10:25	Visit to exhibition, coffee
10:55	What's in imaging of amyloid plaque? <i>PD Alexander Drzezga, Technische Universität München, Germany</i>
11:30	MRI – diagnostic workout and white matter lesions in early dementia <i>Paulina Due-Tønnessen, Rikshospitalet-Radiumshospitalet</i>
11:45	Panel discussion
12:00	Lunch
13:00	Poster session
14:00	Simultaneous PET-MR imaging <i>Dr. rer.nat. Bern Pickler, University of Tübingen, Germany</i>
15:00	Free communications 2
17:00	
19:00	Banquet and entertainment

Friday February 15	
08:00	Breakfast meeting?
	Oncology – molecular diagnostic and neuroendocrine tumors
09:00	Free communications 3
10:00	Coffee
10:10	Newer tracers <i>Prof. Hans Jürgen Wester, Technische Universität München</i>
10:55	Visit to exhibition, coffee
11:30	Molecular imaging in diagnosis of neuroendocrine tumours <i>Prof. Öberg, Uppsala University</i>
12:05	Multimodal diagnostic workout of thyroid and parathyroid cancer <i>Assoc. Prof. Martin Biermann, Haukeland University Hospital, Bergen</i>
12:40	Panel discussion
12:55	Prices for best oral presentation and poster
	<i>Lunch</i>
	End of congress
